

2008 BELGRAVIA SAUVIGNON BLANC

WINEMAKER'S NOTES

Made with 100% sauvignon blanc from the high altitude, cool climate region of Orange NSW, this wine is perfumed with gooseberry and driven by strong fruit flavour. The grassy lift is typical of the cool 2008 vintage. Alc: 14.1%

AROMA AND PALATE

Highly aromatic, a lemon/sherbet nose is made more complex with notes of cut grass, apple, and lantana. Palate is rounded with a refreshing citrus lift at the finish.

DRINK WITH...

Great on its own as an aperitif, it also works well with lighter dishes such as a seafood BBQ, grilled chicken or a warm salad.

Sunshine in a glass!
